Dear Valued Business Owner,

August 30, 2021

I hope this letter finds you well and that your year has been a great one!

Please consider a sponsorship opportunity with the Pregnancy Resource Center of Southwest Florida's annual Walk 4 Life & Fun Fest on Saturday, December 4, 2021. We know that your company values a transformed community where every baby is wanted, and families are supported.

Each passing year, we are in awe of the number of participants, the number of churches involved, and the businesses represented. This year, we expect hundreds of community members to join in the fun! Because of your support, we can provide the medical, financial, and educational support to women and men faced with pregnancy decisions. You make this possible! Even with this incredible success, there is still much work to be done.

Would you consider partnering with us this year through a corporate sponsorship?

The Pregnancy Resource Center has been serving women and men in Lee and Collier Counties for over 20 years, offering medical services and support at no cost to thousands of families. In 2020, we directly impacted hundreds of local families through a life-affirming free pregnancy test, sonogram, education classes, and related support. Our goal is to raise \$150,000 to supply life-affirming and life-changing services at a time when women and men need it most.

Corporate sponsorship is an opportunity for you to advertise, connect, and be recognized for your generosity by a comprehensive cross-section of our community.

Thank you for your consideration in support of this life-changing event. Mostly, we want to thank you for being a business in our community that believes that every life matters.

Warmly,

Laura Ross
